¹ Under Listing Rule 4.7.3, an entity must lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

² "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

³ Mark whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where the entity's corporate governance statement can be found.

GRANGE RESOURCES LIMITED
CORPORATE GOVERNANCE STATEMENT
31 DECEMBER 2015

ASX Corporate Governance Principles and Recommendations – Third Edition released March 2014

Corporate Governance is framework of rules, relationships, systems and processes within and by which authority is exercised and controlled within corporations.

- Provides Investor Confidence
- This is about how we run our Companies, not just what we include in our Corporate Governance Statements in Annual Report
- Applies to all ASX listed companies – use the if not why not approach
- Under ASX listing Rule 4.10.3 need to include Corporate Governance Statement in Annual Report that meets the requirements of the rule (or detail URL for the page in its website where such a statement is located). Statement must include how corporation is following each individual recommendation
- If Corporate Governance Statement not Contained within Annual Report, it must be lodged at same time as Annual Report
- There are 29 Recommendations with commentary (very helpful) - however the commentary provided is for guidance only and does not trigger disclosure obligations under ASX Listing Rules.
- In Corp Government Statement ensure appropriate commentary is given on how the guideline has been met not just “the entity complies with this recommendation”.
- Also ensure detailed commentary is made when recommendation not complied with other than “due to size and circumstance”.
- **New procedure** – Listed companies must lodge an **Appendix 4G** with its annual report. The CGS must be approved by the Board and dated as such.
- Apply from 1 July 2014 – (i.e. For 2015 financial year) – early adoption encouraged.

3. Act ethically and responsibly

A copy of the Policy is on the Company's website in the policy section.

The Company has two female Board members, one who is also Chairperson. In addition the Grange Board has cultural diversity with five of the six directors being of overseas origin.

The Company defines executives as those professional or managerial team members who report directly to the CEO or Board. Of the four executives reporting directly to the CEO or Board, one (25%) is a woman. The Company conducts performance based reviews at least annually of all employees and monitors the number of women progressing through its professional and technical ranks.

The table below indicates the participation of women in the general workforce for the Company as at 31 December 2015:

Workforce Segment	% of Total Workforce in Segment	As at 31 Dec 2015 % of Women in Segment	As at 31 Dec 2014 % of Women in Segment	Measurable Diversity Targets
Supervisory / Administrative	16%	14%	25%	<i>No specific target For these individual categories. Overall target of 10% for all three Categories by 2018</i>
Operations / Maintenance	74%	4%	4%	

Professional / Managerial	10%	17%	10%	15% by 2018
Total workforce	100%	7%	9%	10% by 2018

As at 31 December 2015 the number of women in the Company's workforce was 37. This represents an overall participation rate of 7% (2015: 7%). Women comprise 4% of operations and maintenance roles, 14% of administration and supervisory roles and 17% of senior professional roles and managerial roles.

In early 2012 the Company established measurable diversity objectives. In developing its objectives the Board considered the location and nature of the Company's operations as well as the potential impact of its major development project.

As a result, for the foreseeable future the Company will be based at Grange's Tasmanian operations. Both Savage River and Port Latta are mature and established operations and by mining industry standards have a stable workforce with very low levels of staff turnover. Consequently there are limited opportunities for the Company to improve diversity through recruitment.

In 2014 the Company reviewed its diversity objectives in the light of the changed operational landscape and market conditions. As a result amendments have been made to the timeframe for the attainment of its diversity objectives with 2018 being considered a more realistic target. The Company continues to aim to have women comprising 15% of senior professional / managerial roles and to increase the overall proportion of women in the workforce to 10%. The Board will continue to review progress against these targets at regular intervals.

generally.

In addition to its remuneration responsibilities the Committee also undertakes Board nomination and appointment functions. It assesses the skills required by the Board, prepares and reviews the Board's succession plan and implements processes to identify and recruit suitable candidates for appointment as non-executive directors.

The Remuneration and Nomination committee comprises of three members as shown below:

		Meetings attended	Total meetings
Daniel Tenardi (Chairman)	Independent	5	5

Yan Jia	Not independent	4	5

A copy of the Charter for the remuneration and nomination committee can be found in the Corporate Governance section of Grange Resources website.

The Company's aim is to remunerate at a level that will attract and retain high-calibre directors and employees. Company officers and Directors are remunerated to a level consistent with the size of the Company.

The Board believes that it has implemented suitable practices and procedures that are appropriate for an organisation of this size and maturity.

In accordance with best practice corporate governance, the structure of Non-Executive Director and Executive compensation is separate and distinct.

		<p>No Director participated in any deliberation regarding his or her own remuneration or related issues. The Committee is confident that this process for determining remuneration is stringent and full details of remuneration policies and remuneration received by directors and executives in the current period is contained in the “Remuneration Report” within the Directors’ Report of the Annual Report.</p>
	<p>8.2 A listed entity should separately disclose its policies and practices regarding the remuneration of non-executive directors and the remuneration of executive directors and other senior executives.</p>	<p>A copy of the Remuneration Policy can be found in the Corporate Governance section of the Company’s website.</p> <p>The Company has structured the remuneration of its senior executives, where applicable, such that it comprises a fixed salary, statutory superannuation and participation in the Company’s Employee Incentive Option Plan. The Company believes that by remunerating senior executives in this manner it rewards them for performance and aligns their interests with those of shareholders and increases the Company’s performance.</p> <p>Non-executive directors are paid their fees out of the maximum aggregate amount approved by shareholders for non-executive director remuneration. The Company does not adhere to Guidelines for non-executive director remuneration ‘Non-executive directors should not receive options with performance hurdles’. The Company has previously granted options to non-executive directors and, potentially, will do so in the future. The Board is of the view that options (for both executive and non-executive directors) are a non-cash cost effective benefit for small companies such as Grange Resources Limited that seek to conserve cash reserves. They also provide an incentive that ultimately benefits both shareholders and the option holder, as option holders will only benefit if the market value of the underlying shares exceeds the option strike price. Ultimately, shareholders will make that determination.</p>

		<p>The Remuneration Report contained in the Annual Report outlines the Director and executive remuneration arrangements of the Company in accordance with the requirements of the Corporations Act 2001 and the Corporations Regulations. It also provides the remuneration disclosure required by AASB 124 Related Party Disclosures.</p> <p>There are no schemes for retirement benefits, other than superannuation, for Non-Executive Directors, where applicable.</p>
	<p>8.3 A listed entity which has an equity-based remuneration scheme should:</p> <p>(a) have a policy on whether participants are permitted to enter into transactions (whether through the use of derivatives or otherwise) which limit the economic risk of participating in the scheme; and</p> <p>(b) disclose that policy or a summary of it.</p>	<p>The Board has a Securities Trading Policy that all participants in an equity based remuneration scheme are not allowed to use derivatives which hedges against the equity position provided via the equity based remuneration scheme. A copy of the Security Trading Policy can be found on the policies section of the Company's website.</p>
